

SAFE ROUTES TO SCHOOL CYCLE 10 PS&E

THOMAS JEFFERSON ELEMENTARY SCHOOL INFRASTRUCTURE IMPROVEMENTS MAP (SHORT-TERM)

This map illustrates proposed street infrastructure improvements that address the community's safety concerns and help develop a safer walking environment for students.

SCHOOL INFORMATION

- School Entrance/Exit
- Attendance Boundary
- Crossing Guard

SHORT-TERM IMPROVEMENTS

- All-Way Stop Sign
Installation contingent upon council approval of proposed local All-way Stop Sign policy.
- Bulbout
- Curb Ramps
- High-Visibility Crosswalks - School
- School Signage
- 1.5 MPH School Speed Zone

Speed Hump Criteria Policy Update:
Pending Council approval, an updated proposed policy would allow for speed hump installation on streets surrounding the schools.
